

DECEMBER 2019

Dear Friends for Life,

As we start thinking about this Christmas season, I am reminded of the greatest baby that was ever born and the miracle of His birth and life and what that truly means. The greatest baby ever born was born for you and me. Born into this world sinless, perfect and pure. What a joyous hope that offers to all of us! "He came that we might have life, and that we might have it more abundantly". John 10:10b

We see a lot of newborns at the North Georgia Pregnancy Center and our babies are some of the prettiest babies ever born! But it doesn't take long for our moms to see their little ones showing signs of wanting everything, right now! No one is born sinless, except Jesus.

This baby, born in a stable, came because we all need a Savior to save us from ourselves. We are born needing to be rescued from a life of sin. And Jesus provides that salvation. That is the good news! Here at the center we are able to share good news of the Gospel of Christ with others. A Gospel of hope and healing. Truth that offers the greatest message of all!

Christmas is a wonderful season to share love and joy with others and celebrate the hope that is within our hearts. Don't rush through it. Contemplate the wonder of the babe in the manger and all the hope that it brings to you and me today and every day.

We have been blessed in so many ways in 2019.

The enclosed magazine shares some of these blessings, which includes the wonderful story of being set free and a story about how the truth of the Gospel impacts lives. Also, we are growing our ministry and expanding our hours in 2020. Details coming soon!

I trust you have some time to think about the wonder of the manger and the gift of life this Christmas! We are so grateful for each of you who pray for us and who support us with your financial gifts to help save lives and bring hope, help, and healing to single moms and families that we are blessed to serve.

Have a Very Merry Christmas and a Blessed 2020!

Yours for life,

*Pat*

Pat Page, Executive Director

P.S. Please use the envelope in the center of the magazine to share your year end, tax deductible gift.
